

Kettler Kapers

By Virginia Jones, Lom. 1256-J and Teo Cunningham, Lom. 235

With Easter and vacations not past history, and most of the children back in school, we can look back on it and remember some of the pleasant get-togethers. Among those taking part in them were the Jimmy Ways of Reynosa Dr., who went to Madeline's mother's home for dinner and the day... The Herb Walsbergs who picnicked at Griffith Park... the George Witz family who gathered at the brother-in-law's for dinner and home movie-making... Heard that Lorraine and Dale Stanton and family enjoyed Easter in San Diego.

One of the many lovely Easter mornings breakfasts was the one hosted by Gloria and Bill Hixson of Kathy Way. Guests were Maj. and Mrs. John Hixson and their two children and Gloria's mother, Mrs. Cora Millgar of Merced, who journeyed to the Hixson home for Easter. In the afternoon the Hixsons, ready to depart to the home of Bill's folks, Mr. and Mrs. H. C. Nelson of Lomita for the annual family Easter dinner, were surprised and dismayed to notice that daughter Kathy was getting that familiar swelling under the ears specifically called "mumps". So only part of the family could enjoy the big dinner. Nevertheless, they did enjoy "most" of last Sunday.

Yes, Easter was a cloudy day and little Susan Sharon was a most unhappy, too—her lovely new Easter dress and her shoes are still in the closet, for she's abed with measles. David Foote, too, was "at home" with mumps and there must be ever so many more who could be "mumps" around with the Easter bunny. Our condolences to all.

Noticed that "K. C." and Butch Crossman went back to school Monday—now fully recovered from the mumps. They're the daughter and son of Mr. and Mrs. Paul Crossman of Middlebrook Rd.

A warm and hearty welcome to

If you are deficient in Vitamins B₁, B₂, B₆, or Niacin

NEW WONDER CAPSULE MAY GET AT THE REAL CAUSE OF YOUR TIRED, NERVOUS FEELING

There is no need to suffer from these symptoms, along with constipation, insomnia and loss of appetite, if they are due to dietary deficiencies which occur only when the daily intake of B-vitamins and Niacin is less than the daily requirement over a prolonged period. However, if that is the reason for your misery and suffering, a new wonder-working capsule—**BEXEL SPECIAL FORMULA**—may end your complaints in an amazingly short time.

Thelma and Angel Segura, who have bought the William Way house at 1846 Reynosa. They formerly lived in Hollywood from where Mr. Segura commuted to and from his work at Ideco here in Torrance. We do hope you'll be happy here, Mr. and Mrs. Segura.

Recent Houseguest at the home of the Robert Battys on Cabrillo Ave. was Mrs. Josephine Norton of Coeur d'Alene, Idaho.

The Lawrence Battys of Middlebrook Rd. also have a houseguest, Mrs. Pearl Peltier of St. Paul, Minn. Mrs. Peltier, a well-known caterer in St. Paul for 25 years, gave a most lovely dinner at the Batty home on Easter day. Guests were Mr. and Mrs. C. L. Batty and family of Torrance.

A promise is a promise, no matter when it is kept, so though it wasn't on his birthday, Bobby Crawford did get a party for his 5th natal day. His mom and dad, Edith and Bob, entertained neighborhood children Billy Sullivan, Johnny Wilson, Michael Seldford, Eddie Friberg, Joe Porras, Gary Campbell, Johnny and Danny DiSalva and Jimmy White. The usual goodies of ice cream and cupcakes, each with its own candle, were served. Helping to carry out the Easter theme were candies and "those poppers." Late or not, the party was really enjoyed by all.

Taking advantage of the Easter vacation when their high schoolers were home full time to take over for them, Chuck and Marie Manning of Reynosa Dr. took a couple of days off and went down to San Diego for a rest. They are the folks who have that Mobil station at 228th St. and Sepulveda Blvd.

We hear that Eldon and Alice Nelson of Gramercy St. are vacationing in North and South Carolina. Hope that they're having fun!

The Gene Beavers solved a dinner problem recently by entertaining on two successive Saturday nights for their friends. First group to enjoy a delicious dinner were Mr. and Mrs. Joe Helphand, Mr. and Mrs. Jim Morehead and Mr. and Mrs. Dick Beecher. Mr. and Mrs. Jay Nielsen and Mr. and Mrs. Jerry Loy, made up the second group, away last week in Omaha, Neb.

Our sympathy is extended Gene and all the family.

You'll have to excuse Teo this week, for she is still up on that rosy pink cloud that she has been on all week-end; in fact, ever since Ken got home from that business trip that took him to Washington, D. C. and Dayton, Ohio. With his arrival home in time for their tenth wedding anniversary, Easter and all, she finds it a little hard to get her foot back on the ground. All I can get out of her is a dreamy look and "Oh, it's been

a wonderful Easter!" He, being such as the Capitol building, the White House, the Smithsonian Institute, various embassies and legations, and... well, just all the things that a tourist would want to see. Palm Sunday he went to church in the famous St. Patrick's Church, which was built in 1789. He says he had a wonderful time, came home and went to see all the "sights" really glad that he is an American, but even happier that he is a casual and informal Californian.

Prisco just in time to wish Majorie and granddaughters Toni a happy voyage. First-Class Boatswain Mate Williams will be stationed in Guam for at least two years. After seeing the daughter off, they returned home just in time for Gladys to hostess a baby shower for her daughter-in-law, Mrs. Marie DuFont of San Diego. There were about 15 guests present. Some games were played, but the time was mostly spent "just visiting." A stork centerpiece watched over a three-tiered "colored vision" cake which was served with ice cream. Coming as a climax to all this activity will be the open house next Sunday afternoon from 2 to 5. Chief and Mrs. Kaelin will be honoring Mrs. Kaelin's parents, Mr. and Mrs. Tom McDonald of Torrance, who will celebrate their golden wedding anniversary. More about the anniversary party next week.
